## Rebel Belle By Rachel Hawkins

Harper Price, peerless Southern belle, was born ready for a Homecoming tiara. But after a strange run-in at the dance imbues her with incredible abilities, Harper's destiny takes a turn for the seriously weird. She becomes a Paladin, one of an ancient line of guardians with agility, super strength and lethal fighting instincts. Just when life can't get any more disastrously crazy, Harper finds out who she's charged to protect: David Stark, school reporter, subject of a mysterious prophecy and possibly Harper's *least* favorite person. But things get complicated when Harper starts falling for him--and discovers that David's own fate could very well be to destroy Earth.

With snappy banter, cotillion dresses, non-stop action and a touch of magic, this new young adult series from bestseller Rachel Hawkins is going to make y'all beg for more.

**“As surprising as it is delicious.”—BCCB, starred review**

**“Fun with a twist of supernatural and Southern charm.” —VOYA**

**“The romance, coming-of-age aspects, and a well-drawn heroine with a crackling wit will lure in readers.” —Booklist**

## Editorial Review

From School Library Journal

Gr 7 Up—Harper Price is not your typical Southern belle. When the ancient powers of a Paladin are passed on to her during Homecoming, her life changes instantly. According to the legend of Charlemagne, a Paladin is a guardian charged with protecting a particular being. In Harper's case, this being is none other than her sworn enemy, David Stark. As her new abilities grow, they threaten to ruin her relationships with her parents, her boyfriend, and her best friend. Armed with the advice of those who have lived with this responsibility, along with the best knowledge the Internet has to offer, Harper faces her uncertain future with her pearls and agility skills at the ready, prepared for whatever adventure may lie ahead. With *Rebel Belle*, Hawkins provides a soft place for readers of her "Hex Hall" series (Hyperion) to land. Rife with legendary beings and their accumulated lore, the novel presents a worthwhile heroine in Harper Price. Overscheduled and overly responsible, she is a familiar character to teens, and by the end of the book, Hawkins convinces them that she may be the perfect recipient of the power of a Paladin.—Colleen S. Banick, Westport Public Schools, CT

From [Booklist](#)

As if superachiever Harper does not have enough on her plate, she finds herself at the center of a murderous paranormal plot—and during the homecoming dance, no less. Turns out Harper is a Paladin, a legendary character bound to protect the Oracle, an all-powerful visionary who can foresee the future. When the Oracle turns out to be her geeky and annoying classmate David Stark, well, that's a sign that most folks are not who they seem to be in this fantasy romp. The southern private-school milieu, which plays out like a snappy satire on college-prep activities and the all-important cotillion ritual, is juxtaposed with darkly fantastical forces to provide humor and spunk, enlivening the story and recalling Hawkins' Hex Hall titles. That Harper also lives in the shadow of her deceased older sister adds a layer of emotional complexity. Mainly, though, the romance, coming-of-age aspects, and a well-drawn heroine with a crackling wit will lure in readers. Grades 8-11. --Anne O'Malley
