### Seeing a Large Cat: The Amelia Peabody Series, Book 9 By Elizabeth Peters

No villain is safe in 1903 Egypt as feisty archaeologist Amelia Peabody embarks on her ninth adventure. According to an ancient Egyptian papyrus, dreaming of a large cat means good luck. And that's just what Amelia Peabody could use, as her growing family matures in the new century. What's more, Amelia's dashing husband Emerson has received a mysterious warning not to enter the Valley of the Kings. To Emerson's annoyance, Amelia's meddling distracts her attention as she exposes a fraudulent spiritualist, saves a marriage, and plays matchmaker. But diabolical forces are at work when an unknown tomb reveals a shocking murder -- and the Peabody family dodges bullets from an assassin determined to put an end to their discoveries.

### Editorial Review

#### Amazon.com Review

Elizabeth Peters's books about Egyptologist Amelia Peabody are like longer, more literate versions of those letters some relatives send to keep people up to date on their family adventures. They're also lively feminist spoofs on the two-fisted Victorian adventure novels that inspired the Indiana Jones films. In this ninth book in the Peabody series, it's 1903, and Amelia and her clan--irascible husband Emerson, fearless son Ramses, gorgeous ward Nefret--are in Cairo, dealing with everything from mummies (both the ancient and more recent varieties) to affairs of the heart. Previous Peabody paperbacks include *The Hippopotamus Pool* and *The Snake, the Crocodile and the Dog*.

#### From Library Journal

Amelia Peabody and family begin the 1903 "digging" season in Egypt with the usual anticipation. At least two pleas for help and a mysterious warning about a Valley of the Kings tomb, however, complicate life and lead to the expected dangerous adventure. Essential reading from a pro.

#### From [Booklist](#)

As her legions of fans will readily testify, Amelia Peabody Emerson, who wields a mean parasol, is not your usual whodunit heroine. Ladies in 1903 did not climb pyramids or excavate Egyptian tombs. And they certainly didn't solve crimes. Amelia, of course, does all three and always does them extremely well. In this new adventure, she's exceptionally busy. Not only must she make sense of a brutal murder and help an old friend whose drippy husband has gone "over the edge," she must also rein in the feminist sensibilities of her pretty adopted daughter (who models herself after Amelia) and keep her headstrong, lovestruck teenage son, Ramses, out of trouble. As usual, Peters' zesty characters--particularly Amelia's explosive archaeologist husband, Radcliffe ("Good Gad, Peabody")--are marvelous, and there's plenty of lively repartee to push the story along. The comedy is great, as well, with Peters' knowing precisely how to balance starchy Amelia's officious social respectability with her penchant for meddling in other people's affairs. *Stephanie Zvirin*
