**The Grand Design: Male and Female He Made Them** By Owen Strachan, Gavin Peacock

The world has gone gray-fuzzy, blurry, gender-neutral gray. In a secularist culture, many people today are confused about what it means to be a man or a woman. Even the church struggles to understand the meaning of manhood and womanhood. In *The Grand Design*, Owen Strachan and Gavin Peacock clear away the confusion and open up the Scriptures. They show that the gospel frees us to behold the unity and distinctiveness of the sexes. In Christ, we have a script for our lives. Doxology, we discover, is in the details.

### Editorial Review

#### Review

We live in an age characterized by confusion on gender and sexuality ... Strachan and Peacock have provided a careful and faithful account of Scripture's vision for sexuality and gender. This book is urgently needed. (R. Albert Mohler ~ President, The Southern Baptist Theological Seminary, Louisville, Kentucky)

Strachan and Peacock don't simply defend a view of men and women that is traditional but now counter-cultural. They show it is beautiful. (Andy Naselli ~ Assistant Professor of New Testament and Biblical Theology, Bethlehem College and Seminary, Minneapolis, Minnesota)

Confusion abounds today on what it means to be a man and what it means to be a woman. Peacock and Strachan put feet on the biblical teaching. (Thomas R. Schreiner ~ James Buchanan Harrison Professor of New Testament Interpretation and Associate Dean, The Southern Baptist Theological Seminary, Louisville, Kentucky)

In this short book they've laid out how biblical complementarity in the home and church is both good and glorious. I wish every Christian would read and apply *The Grand Design*. (Jason Allen ~ President, Midwestern Baptist Theological Seminary, Kansas City, Missouri)

This book has many strengths. It provides a survey of significant biblical passages that defend the main contours of complementarianism and strongly locates gender distinction within the context of God's design for humanity. It invites its readers to delight in a doctrine that is often thought of as restrictive (especially for women). Above all, the authors' encouragement to men and women to pursue Christ is vivid through prose that can often only be described as breathless. (John R. Gilhooly, Cedarville University Cedarville, Ohio - Writing for The Gospel Coalition)

... an outstanding book on the issue of men and women's roles as determined by God's grand design ... compelling, thoroughly biblical, and God-honoring. (Martha Peace ~ Certified Biblical Counselor and author of *The Excellent Wife*)

In a culture being tossed by the winds of secularism, this book is a beacon pointing us back to God's glorious design for men and women. It is clear, accessible, and compelling and will be a blessing to those who take its truths to heart. (GraceAnna Castleberry ~ Wife, Mother, Blogger)
