**The World of Robert Jordan's The Wheel of Time** By Robert Jordan, Teresa Patterson

**Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters.**

The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow.

In this series companion book, over fourscore full color paintings include stunning new maps of the world, portraits of the central characters, landscapes, objects of Power, and national flags. The reader will learn about the exotic beasts used by the Seanchan and read of the rise and fall of Artur Hawking, peruse the deeper story of the War of the Shadow. Here is the tale of the founding of the White Tower, and the creation of the Ajahs.

The inner workings of the closed country, Shara, are revealed, as is the existence of a hitherto unknown continent called The Land of the Madmen. This stunning volume also includes double-page spreads of the seven book jackets by Darrell Sweet so that the art can be enjoyed without type, and all the known maps of the world, including maps of the Seanchan Empire, the nations of the Covenant of the Ten Nations, and the nations as they were when Artur Paendrag Tanreall began his rise to legend.

Every Robert Jordan fan needs this book.

### Editorial Review

#### Amazon.com Review

"The Wheel of Time turns, and Ages come and pass, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth comes again." Jordan's Wheel of Time series has uncountable fans, and those who are looking for an encyclopedic history and mythology of Rand al'Thor's world will enjoy this work, which fills in background rather than furthering the story. Also included are double-page spreads of Darrell K. Sweet's seven book jackets for the series.

#### From Library Journal

Fans of Jordan's popular "The Wheel of Time" epic fantasy series now in its seventh volume (A Crown of Swords, Tor, 1996) will benefit from this illustrated guide. It includes 70 new full-color paintings of maps, flags, characters, and objects of power. A detailed text explains plot and characters in a narrative form rather than in encyclopedic entries. Although the lack of an index may make this volume hard to use as a reference source, its completeness will serve to introduce new readers to the series. Recommended where the series is popular.

#### Review

"Robert Jordan has elaborated a fantasy world whose complexity and drama rivals Tolkien's... Rife with full-color paintings and maps, the large-format book covers the history, characters, flora, fauna, landscapes and objects of Jordan's fantasy world, and gives hints of upcoming events." *Publishers Weekly*
