**Truth or Dare** By Jacqueline Green

*When a simple round of truth or dare spins out of control, three girls find it's no longer a party game -- it's do or die.*

It all started on a whim: The game was a way for Tenley Reed to reclaim her popularity, a chance for perfect Caitlin "Angel" Thomas to prove she's more than her Harvard application. Loner Sydney Morgan wasn't even *there*; she was hiding behind her camera, as usual. But when all three start receiving mysterious dares long after the party has ended, they're forced to play along -- or risk exposing their darkest secrets.

How far will Tenley, Caitlin, and Sydney go to keep the truth from surfacing? And who's behind this twisted game?

Set against the backdrop of Echo Bay, an isolated beach town haunted by misfortune, *Truth or Dare* is a highly charged debut that will keep readers in suspense from beginning to end.

### Editorial Review

From School Library Journal

Gr 9 Up-Quiet and disturbed Sydney, Ivy League-bound Caitlin, and spoiled beauty Tenley are the focus of this chilling tale. To establish herself as the party queen of Echo Bay, Tenley hosts a huge blowout that ends with an intense game of truth or dare. But long after the game is over, someone forces the girls to keep playing. Sydney would rather be developing photos in the darkroom, Caitlin barely has time to sleep with all of her college application-padding activities, and Tenley is just trying to fit in again after almost four years away. However, the three are receiving notes threatening them with exposure of their darkest secrets if they do not perform dares. The teens vacillate between going along, accusing one another and others of being behind the notes, and involving the police. The game gets deadlier, stakes get higher, and someone won't survive it. Green offers an edge-of-your-seat thriller. The characters are all well drawn and believably flawed. There is a good deal of underage alcohol consumption and some drug use and sex. The protagonists' fluctuating reactions to the horrible game are realistic and everyone is a suspect in this town. With just the tiniest hint of the supernatural, Echo Bay itself seems haunted. Creepy and dark to the core, this is a great offering for fans of Lois Duncan and Christopher Pike.-Tara Kehoe, Plainsboro Public Library, NJ©(c) Copyright 2013.
