### **Alpha (The Shifters Book 6) By Rachel Vincent**

The unscrupulous new Council chair has charged Jace, Marc and me with trespassing, kidnapping, murder and treason. Yeah, we've been busy. But now it's time to take justice into our own hands. We must avenge my brother's death and carve out the rot at the heart of the Council.

It's not going to be easy, and loss seems unavoidable, but I have promised to protect my Pride, no matter what. With a target on my back and Marc at my side, I'm heading for a final showdown that can—that will—change everything forever. A showdown I'm not sure I'm ready for.

But life never waits until you're ready.
