### Genuine Lies By Nora Roberts

New York Times bestselling author Nora Roberts weaves scandal, celebrity secrets, and murder into an explosive novel of Hollywood almost too wicked not to be true: the story of a legendary actress who knows too much—and the woman she's chosen to reveal it all....

Eve Benedict is the kind of subject who could make any biographer's career. Last of the movie goddesses, she has two Oscars, four ex-husbands, and a legion of lovers, both famous and infamous. Now she is ready to write a tell-all memoir that has even Hollywood's richest and most powerful worried.

Julia Summers never dreamed of being chosen to tell Eve's story. But even if it means transplanting herself and her ten-year-old son from their quiet life in Connecticut to the withering limelight of Beverly Hills, it's an opportunity too great to pass up. But Julia never imagined how far someone would go to keep Eve Benedict's book from being published...until she discovers just how dark Eve's secrets are. And the one man Julia hopes she can trust—Eve's stepson, Paul Winthrop—may have the most to gain if his stepmother's story is never told...and if Julia's life ends before she can write a word of the truth.

### Editorial Review

#### Amazon.com Review

With her storytelling abilities in full force, Nora Roberts goes Hollywood in this contemporary romantic suspense. Ever since Julia Summers became a single mother at 18, she's focused all her energies on creating a secure home for her 10-year-old son, Brandon, and establishing herself as a sought-after biographer of Hollywood stars. Now quintessential movie goddess Eve Benedict, whose 50-year career has included two Oscars, four husbands, and scores of lovers, has particularly sought out Julia to write Eve's ultimate tell-all book. But as Eve reveals to Julia her many long-held secrets, Julia realizes there's a whole cast of characters with good reasons to keep Eve silent, including Eve's well-loved stepson, Paul Winthrop, a handsome novelist whose desire for Julia is beginning to penetrate her wary reserve. Eve, still glamorous, desirable, and reckless, thinks she's set the stage for events she can direct, but more and more, it's clear that someone dangerous is out of control. Fast paced, with a good balance between suspense and romance, and with more heart than many Hollywood-set novels. --*Ellen Edwards*

#### From Publishers Weekly

Though the opening scene of this book refers to a murder, that deed only occurs 100 pages from the end of the story, when Roberts's ( *Public Secrets* ) disappointing tale finally heats up. Until then, the reader is dragged through the sordid secrets of a dreary collection of friends, lovers, employees and ex-husbands of 67-year-old film star Eve Benedict. She has hired Julia Summers to write an authorized biography, an exposé of Hollywood life guaranteed to irk most of her past associates. And soon an aggressor swings into action: Eve and Julia receive threatening notes; Julia's rooms are broken into twice; finally, Eve is silenced permanently. So whodunit? The suspects are legion: Eve's nephew and agent, Drake Morrison, now fired and disinherited; former lover Michael Delrickio, whose mob connections Eve planned to reveal; actress Gloria DuBarry, a symbol of morality--provided no one learns of her affair and abortion. Or maybe it was Eva's devoted supporters Nina Soloman and Dorothy Travers, who are more than just staff. Or Eve's stepson, mystery writer Paul Winthrop, who has a marked interest in Julia. Or, as the police think, Julia herself. Copyright 1991 Reed Business Information, Inc.

#### Review

"Good summer beach reading."

--**USA Today**

"Roberts does a beautiful job weaving together the movie star's titillating tales and the love story that develops."

--**USA Today**
