Island in the Sea of Time By S. M. Stirling

It's spring on Nantucket and everything is perfectly normal, until a sudden storm blankets the entire island. When the weather clears, the island's inhabitants find that they are no longer in the late twentieth century...but have been transported instead to the Bronze Age! Now they must learn to survive with suspicious, warlike peoples they can barely understand and deal with impending disaster, in the shape of a would-be conqueror from their own time.

Editorial Review

From Library Journal

A cosmic disturbance transports the island of Nantucket and its inhabitants over three thousand years back in time to the shores of a Stone Age America. In addition to coping with the day-to-day problems of survival and the trauma of losing all connection with the modern world, the residents of the time-stranded island find their lives complicated by the presence of native tribes across the water. Stirling's (*The Ship Avenged*, Baen, 1997) imaginative foray into time travel should also please fans of alternate history. A good selection for most sf collections.

Review

“A perfectly splendid story...endlessly fascinating...solidly convincing.”—**Paul Anderson**

“A compelling cast of characters...a fine job of conveying both a sense of loss and hope.”—**Science Fiction Chronicle**

“[Q]uite a good book...definitely a winner.”—**Aboriginal Science Fiction**

“Meticulous, imaginative....Logical, inventive and full of richly imagined characters, this is Stirling’s most deeply realized book yet.”—**Susan Shwartz, author of The Grail of Hearts**

“Utterly engaging. This is unquestionably Steve Stirling’s best work to date, a page-turner that is certain to win the author legions of new readers and fans.”—**George R. R. Martin, author of A Game of Thrones**

“One of the best time travel/alternative history stories I’ve ever read, period. Stirling combines complex, believable characters, meticulous research, and a fascinating setup to produce a book you won’t want to—and won’t be able to—put down. An outstanding piece of work.”—**Harry Turtledove**

“The adventure that unfolds, powered by Stirling’s impressive stores of knowledge and extraordinary narrative skill, is an enormously entertaining read.”—**Virtual North Woods Website**

About the Author

S. M. Stirling is the author of numerous novels, both on his own and in collaboration. A former lawyer and

an amateur historian, he lives in the Southwest with his wife, Jan.

Users Review

From reader reviews:

Virginia Villalon:

Information is provisions for anyone to get better life, information nowadays can get by anyone in everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is in the former life are hard to be find than now is taking seriously which one is appropriate to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Island in the Sea of Time as the daily resource information.

Randall Hernandez:

The guide with title Island in the Sea of Time includes a lot of information that you can discover it. You can get a lot of help after read this book. This kind of book exist new expertise the information that exist in this publication represented the condition of the world today. That is important to yo7u to be aware of how the improvement of the world. This book will bring you in new era of the the positive effect. You can read the e-book on the smart phone, so you can read this anywhere you want.

Jennifer Buster:

Exactly why? Because this Island in the Sea of Time is an unordinary book that the inside of the publication waiting for you to snap this but latter it will surprise you with the secret the idea inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of gains than the other book have got such as help improving your skill and your critical thinking method. So , still want to hold up having that book? If I were you I will go to the reserve store hurriedly.

Luther Jensen:

Reserve is one of source of know-how. We can add our understanding from it. Not only for students but also native or citizen have to have book to know the upgrade information of year in order to year. As we know those guides have many advantages. Beside all of us add our knowledge, could also bring us to around the world. From the book Island in the Sea of Time we can take more advantage. Don't you to definitely be creative people? For being creative person must like to read a book. Only choose the best book that suited with your aim. Don't possibly be doubt to change your life at this book Island in the Sea of Time. You can more inviting than now.
