## Math and Dosage Calculations for Health Care Professionals with Student CD

By Kathryn Booth, James Whaley, Susan Sienkiewicz, Jennifer Palmunen

McGraw-Hill has a clear digital advantage in math & dosage calculations with ALEKS Prep, to prepare students with a strong math foundation, and Connect, which includes math, terminology, dosage calculations, interactive exercises and an eBook- a complete course solution. 3D Animations covering pathophysiology and pharmacology as well as a newly filmed Medication Administration Video series are also in Connect with pre-, during- and post-assessment. The 4th edition of Booth has a redesigned table of contents, adding a new chapter of safe medication administration, and breaking larger chapters into smaller, more manageable chapters.

## **Editorial Review**

### **About the Author**

James E. Whaley, RPh, MS, is currently an associate professor of health sciences and chemistry at Baker College of Owosso (Michigan) and coordinator of the Pharmacy Technician Program, which is offered at nine Baker College campuses. He routinely teaches courses in the Pharmacy Technician Program in addition to anatomy and physiology, pathophysiology, and general chemistry. Mr. Whaley has taught at Baker College of Owosso since 1995 and was the first recipient of the college's prestigious Teacher of the Year award. He has been selected as a member of Who's Who among College Teachers numerous times. Prior to coming to Baker, Mr. Whaley was twice ranked in the top 10 percent of instructors at the University of Illinois, where he was awarded a fellowship in cellular and molecular biology from the National Institutes of Health. Mr. Whaley worked as a retail pharmacist before beginning his career as an educator, and he has been a registered pharmacist since 1981.

Kathryn A. Booth, RN-BSN, RMA (AMT), RPT, CPhT, MS is a registered nurse (RN) with a master's degree in education as well as certifications in phlebotomy, pharmacy tech, and medical assisting. She is an author, an educator, and a consultant for Total Care Programming, Inc. She has over 30 years of teaching, nursing, and healthcare experience that spans five states. As an educator, Kathy has been awarded the teacher of the year in three states where she taught various health sciences, including medical assisting in both a classroom and an online capacity. Kathy serves on the AMT Examinations, Qualifications, and Standards committee, as well as the advisory board for two educational institutions. She stays current through working at various practice settings as well as obtaining and maintaining certifications. Her larger goal is to develop up-to-date, dynamic healthcare educational materials to assist her and other educators and to promote healthcare professions. In addition, Kathy enjoys presenting innovative new learning solutions for the changing healthcare and educational landscape to her fellow professionals nationwide.

## **Users Review**

### **From reader reviews:**
