Run To You (Military Men) By Rachel Gibson

Rachel Gibson, *New York Times* bestselling author of *Rescue Me*, returns to Texas with a tale of what happens when a tough guy meets his match—and falls harder than a ton of red-hot bricks . . .

There's nothing like fleeing Miami to ruin a girl's day.

Stella Leon's bartending gig was going fine until gorgeous ex-Marine Beau Junger decked her mob-connected boss, spirited her out of the city, and claimed that Stella's half-sister—the one with the perfect life—sent him. Now Stella has no choice but to go along for the ride . . . and seduce

Beau's military-issue socks off . . .

The Marine Corps was Beau's escape from his old man's legacy of naval heroism and serial philandering, but no amount of training could prepare him for the day he looked in the mirror and saw his father staring back. The answer: swear off meaningless sex. Oh, and find a way to make Stella Leon quit being so damn hot
. . .

Editorial Review

Review

“This lovely romance will charm your socks off [...] a light touch of humor and just enough conflict to make the story interesting while not distracting from the main theme. A real treat.” -RT Book Reviews, 4 ½ Stars, Top Pick! (October Issue) (RT Book Reviews, 4 ½ Stars, Top Pick!)

About the Author

Rachel Gibson began her fiction career at age sixteen, when she ran her car into the side of a hill, retrieved the bumper, and drove to a parking lot, where she strategically scattered the car's broken glass all about. She told her parents she'd been the victim of a hit-and-run and they believed her. She's been making up stories ever since, although she gets paid better for them nowadays.

Users Review

From reader reviews:

Ruth Irizarry:

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even a concern. What people must be consider if those information which is in the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take Run To You (Military Men) as your daily resource information.

Robert Densmore:

Often the book Run To You (Military Men) will bring one to the new experience of reading a new book. The author style to clarify the idea is very unique. When you try to find new book to see, this book very appropriate to you. The book Run To You (Military Men) is much recommended to you you just read.
