Smooth Talking Stranger: A Novel (Travis Book 3) By Lisa Kleypas

Jack Travis leads the uncomplicated life of a millionaire Texas playboy. He makes no commitments, he loves many women, he lives for pleasure. But no one has ever truly touched his heart or soul. Until one day, a woman appears on his doorstep with fury on her face and a baby in her arms. It seems Jack is the father and this woman is the baby's aunt. The real mother has abandoned the child to her more responsible sister. And now, Jack is being called upon to take responsibility for the first time in his life. With delicious romantic tension, characters so real they walk onto the page and into your heart, Lisa Kleypas delivers the kind of novel that makes you laugh, love; cry and cheer ...in *Smooth Talking Stranger*.

Editorial Review

From Publishers Weekly

Finding herself responsible for her troubled sister's newborn son, advice columnist Ella Varner is determined to track down the baby's father so she can get back to her own life. The first of her sister's former dates she confronts is Houston playboy, Jack Travis—who disarms her with his charm and sincerity. Her growing affection for both the baby and Jack throws her ordered life and her relationship with her boyfriend, Dane, into upheaval. Emily Durante provides a polished reading; her voice is smooth and pleasing, but her light tone and youthful manner of speaking would be better matched with a younger character than this book's strong heroine. *A St. Martin's hardcover (Reviews, Feb. 2). As advice columnist “Miss Independent,” Ella Varner thought she had all the answers, but when her sister, Tara, leaves her brand-new baby with their mother and then disappears, Ella discovers that problems in the real world are not quite as easy to solve as those in print. Ella’s mother insists that she come and deal with the situation, since the very idea of her being a grandmother will ruin her social life. When Ella arrives in Houston, her first goal is to find the baby’s father—one of Tara’s friends believes it’s millionaire Texas real-estate developer Jack Travis. When Ella shows up at Jack’s office, she is surprised to discover that not only is Jack more considerate than she imagined—especially since he insists the baby is not his—but way sexier than she thought possible. RITA Award-winning Kleypas’ clever pairing of a testosterone-rich hero and a wonderfully endearing heroine gives her latest romance its irresistibly sexy flavor, while adding fresh zest to her exceedingly successful series of loosely connected contemporary romances, which began with *Sugar Daddy* (2007). Kleypas’ fans and readers of women’s fiction alike will take to this richly rewarding story of love, commitment, and family. --John Charles
