The Art of Conversation: A Guided Tour of a Neglected Pleasure By Catherine Blyth

[Read Catherine Blyth's posts on the Penguin Blog.](#)

A wide-ranging, exhortatory look at the pleasures of great conversation, including strategies for how to bring it about, from the witty pen of an Englishwoman wise in its ways

In *The Art of Conversation*, Catherine Blyth eloquently points out the sorry state of disrepair that conversation has fallen into—and then, taking examples from history, literature, philosophy, anthropology, and popular culture, she gives us the tools to rebuild. Her prose embodies the conversational values she promotes: It's smart, succinct, self-deprecating, and light on its feet.

The Art of Conversation isn't about etiquette, elocution, or knowing how to hold your teacup with your little finger crooked just so. It's about something simple and profound: connecting. In our distracted days, it's easy to forget that each of us possesses a communication technology that has been in research and development for thousands of years. Conversation costs nothing, but can bring you the world.

Blyth offers us a chance to revel in the possibilities of conversation. As Alexander Pope nearly wrote, "True ease in talking comes from art, not chance, as those move easiest who have learned to dance." Okay, Pope was actually talking about writing, but Catherine Blyth has that skill as well. When you have read *The Art of Conversation*, you'll not only know the steps, but hear the music like never before.

Editorial Review

Users Review

From reader reviews:

Norberto Brody:

Information is provisions for individuals to get better life, information currently can get by anyone from everywhere. The information can be a information or any news even a huge concern. What people must be consider any time those information which is inside the former life are challenging be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you obtain the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take The Art of Conversation: A Guided Tour of a Neglected Pleasure as the daily resource information.

Sergio Espinoza:

Precisely why? Because this The Art of Conversation: A Guided Tour of a Neglected Pleasure is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who else write the book in such incredible way makes the content within easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of rewards than the other book possess such as help improving your expertise and your critical thinking way. So , still want to postpone having that book? If I were being you I will go to the reserve store hurriedly.

Jamie Norman:

Is it a person who having spare time subsequently spend it whole day simply by watching television programs or just lying on the bed? Do you need something totally new? This The Art of Conversation: A Guided Tour of a Neglected Pleasure can be the reply, oh how comes? The new book you know. You are therefore out of date, spending your time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

Irene Navarro:

As we know that book is vital thing to add our information for everything. By a guide we can know everything we wish. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This guide The Art of Conversation: A Guided Tour of a Neglected Pleasure was filled regarding science. Spend your spare time to add your knowledge about your research competence.

Some people has several feel when they reading any book. If you know how big selling point of a book, you can truly feel enjoy to read a book. In the modern era like at this point, many ways to get book that you just wanted.
