Great reference book, January 11, 2007 by Debra This is a great book with lots of history and detail not available in very many sources. The alphabetical listing of individuals is especially helpful. I am using it while teaching seminary D&C. Who's Who an invaluable resource, January 29, 2005 by Michele We have LOVED this book. In researching names and people found in the Doctrine & Covenants, it has proved an invaluable resource! We've learned so much regarding those involved in the restoration of the gospel--details we had forgotten or didn't even know. A must!
