Editorial Review

About the Author

Kaushal Kumar Agrawal did his B.Com. (H) from Delhi University in the year 1994 and completed his Company Secretary course in the year 1996. He passed CS (Inter) and ICWAI (Inter) both groups in the first attempt. He has been teaching Direct & Indirect Tax to students at various levels for more than 10 years. He is a visiting faculty at the Institute of Company Secretaries of India, Indian Law Institute and other premier institutions. He has served some of the top companies of India as a Company Secretary and has varied practical experiences in handling corporate and tax matters. His important contributions include *Insight into Income Tax: Based on Memory Retention Techniques* and *Simple Guide to Income Tax for B.Com. (P)* and *Ten Years for B.Com. (H)*.

Users Review

From reader reviews:

Gary Lewis:

What do you ponder on book? It is just for students since they are still students or the item for all people in the world, the actual best subject for that? Just you can be answered for that problem above. Every person has various personality and hobby per other. Don't to be pushed someone or something that they don't desire do that. You must know how great and important the book *Direct Tax Planning and Management*. All type of book can you see on many sources. You can look for the internet methods or other social media.

Jane Garner:

Reading a guide tends to be new life style within this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Using book everyone in this world may share their idea. Guides can also inspire a lot of people. Lots of author can inspire their reader with their story or their experience. Not only the storyplot that share in the books. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their talent in writing, they also doing some analysis before they write for their book. One of them is this *Direct Tax Planning and Management*.

Percy Cole:

This *Direct Tax Planning and Management* is great guide for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This kind of book reveal it info accurately using great plan word or we can claim no rambling sentences within it. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but difficult core information with lovely delivering sentences. Having *Direct Tax Planning and Management* in your hand like obtaining the world in your arm, information in it is not ridiculous one particular. We can say that no reserve that offer you world in ten or fifteen tiny right but this

guide already do that. So , this really is good reading book. Heya Mr. and Mrs. busy do you still doubt that?

Marco Manuel:

The book untitled Direct Tax Planning and Management contain a lot of information on that. The writer explains your girlfriend idea with easy means. The language is very clear and understandable all the people, so do definitely not worry, you can easy to read the idea. The book was written by famous author. The author brings you in the new period of time of literary works. You can actually read this book because you can continue reading your smart phone, or model, so you can read the book with anywhere and anytime. If you want to buy the e-book, you can wide open their official web-site as well as order it. Have a nice read.
