Distrust That Particular Flavor By William Gibson

A collection of *New York Times* bestselling author William Gibson's articles and essays about contemporary culture—a privileged view into the mind of a writer whose thinking has shaped not only a generation of writers but our entire culture...

Though best known for his fiction, William Gibson is as much in demand for his cutting-edge observations on the world we live in now. Originally printed in publications as varied as *Wired*, the *New York Times*, and the *Observer*, these articles and essays cover thirty years of thoughtful, observant life, and are reported in the wry, humane voice that lovers of Gibson have come to crave.

“Gibson pulls off a dazzling trick. Instead of predicting the future, he finds the future all around him, mashed up with the past, and reveals our own domain to us.”—*The New York Times Book Review*

Editorial Review

From Bookforum

Grandly called a collection of essays, the book actually gathers Gibson's occasional journalism, much from the late-twentieth century, almost none of it worth rereading today. Certainly, Gibson's voice is engaging, conversational, winning, But *Distrust That Particular Flavor* needs less journalism, better writing, and more thinking. —Michael Dirda

Review

“One of the most astute and entertaining commentators on our astonishing, chaotic present.”—*The Washington Post Book World*

“I forgot that in addition to being a major novelist (*Zero History*, *Neuromancer*, etc.), he’s one of the best essayists and critical observers currently operating within our sociocultural sphere. This is his first essay collection, and it’s messed up how good it is: raw, weird, honest, smart.”—Lev Grossman, *Time Entertainment*

“Exquisitely written, done to a turn with both insight and that unmistakable prose that is just shy of spectacular....This is a fine and even essential complement to the Gibson canon, and a delight to read.”—BoingBoing.net

“Though he’s often lauded as a big-picture man, these pieces make one thing clear: He’s even better with the little details.”—*A.V. Club*

“[Gibson’s] new collection of nonfiction shows that his secret strong suit is with the here and the now.”—*Los Angeles Times*

“The most startling pieces here crackle with his excitement at discovering some unexpected aspect of the new.”—*The Globe and Mail* (Canada)

“A breezy, engaging read.”—*The Milwaukee Journal Sentinel*

“Potent...elegant prose.”—*The Seattle Times*

About the Author

William Gibson’s first novel, *Neuromancer*, won the Hugo Award, the Philip K. Dick Memorial Award, and the Nebula Award in 1984. He is also the *New York Times* bestselling author of *Count Zero*, *Mona Lisa Overdrive*, *Burning Chrome*, *Virtual Light*, *Idoru*, *All Tomorrow’s Parties*, *Pattern Recognition*, *Spook Country*, *Zero History*, *Distrust That Particular Flavor*, and *The Peripheral*. He lives in Vancouver, British Columbia, with his wife.

Users Review

From reader reviews:

Thomas Lemos:
