Emma's War: A True Story By Deborah Scroggins

Tall, striking, and adventurous to a fault, young British relief worker Emma McCune came to Sudan determined to make a difference in a country decimated by the longest-running civil war in Africa. She became a near legend in the bullet-scarred, famine-ridden country, but her eventual marriage to a rebel warlord made international headlines—and spelled disastrous consequences for her ideals.

Enriched by Deborah Scroggins's firsthand experience as an award-winning journalist in Sudan, this unforgettable account of Emma McCune's tragically short life also provides an up-close look at the volatile politics in the region. It's a world where international aid fuels armies as well as the starving population, and where the northern-based Islamic government—with ties to Osama bin Laden—is locked in a war with the Christian and pagan south over religion, oil and slaves. Tying together these vastly disparate forces as well as Emma's own role in the problems of the region, **Emma's War** is at once a disturbing love story and a fascinating exploration of the moral quandaries behind humanitarian aid.

Editorial Review

From [The New Yorker](#)

In 1991, in the middle of a refugee crisis in southern Sudan, a twenty-seven-year-old British aid worker named Emma McCune scandalized the relief community by marrying a local guerrilla leader; the author describes Emma's brief career as a "First Lady-in-Waiting" as "the kind of surreal sideshow that often accompanies disasters." Formerly a champion of children's rights, Emma couldn't stop her husband from holding hundreds of adolescent boys in a squalid camp. Although she embraced the hardships of African life (bouts of malaria, water teeming with bilharzia), she was well-fed by local standards, eating fish that her husband's soldiers had stolen from a weaker, starving tribe. Meanwhile, Emma's fellow-expatriates grew less enchanted with her the more "African" she became—sick and constantly in need. Scroggins, a veteran reporter on Sudan, uses Emma's story to examine the failure of Western idealism in Africa. Emma turned out to be an incidental character: she died in 1993, in a traffic accident in Nairobi; the fighting continues.

Review

"Scroggins brings Sudan's agony to vivid life; at the same time, she gives us a lyrical, suspenseful, psychologically acute study in idealism and self-delusion." —George Packer, *The New York Times Book Review*

"Breathtaking and beautifully written. . . . Deborah Scroggins weaves the greater issues of Sudan around [Emma] McCune's idealism." —*USA Today*

"Brilliantly penetrating. . . . In [Emma McCune] Scroggins has found a feckless, captivating subject, as insufferable as the white man's insatiable need for redemption in Africa. . . . Scroggins undoes every illusion about aid, hunger and rebellion." —*Washington Post*

"A wonderful, challenging book. . . . One of the best that I have ever read on the difficult relationship between the developed world and the Third World." —William Shawcross, *Sunday Times* (London)

From the Inside Flap

Tall, striking, and adventurous to a fault, young British relief worker Emma McCune came to Sudan determined to make a difference in a country decimated by the longest-running civil war in Africa. She became a near legend in the bullet-scarred, famine-ridden country, but her eventual marriage to a rebel warlord made international headlines--and spelled disastrous consequences for her ideals.

Enriched by Deborah Scroggins's firsthand experience as an award-winning journalist in Sudan, this unforgettable account of Emma McCune's tragically short life also provides an up-close look at the volatile politics in the region. It's a world where international aid fuels armies as well as the starving population, and where the northern-based Islamic government--with ties to Osama bin Laden--is locked in a war with the Christian and pagan south over religion, oil and slaves. Tying together these vastly disparate forces as well as Emma's own role in the problems of the region, *Emma's War* is at once a disturbing love story and a fascinating exploration of the moral quandaries behind humanitarian aid.

Users Review

From reader reviews:

Sarah Creamer:
