Review

"*Fixed-Income Securities and Derivatives Handbook* is an **accessible and well-written book** that will appeal to both practitioners and academics with an interest in this subject."

- **Richard Pereira**

Structurer, Asset Finance Group, Nomura International PLC

"Once again the prolific Moorad Choudhry has triumphed in producing a comprehensive and lucid guide to an area of the financial markets--this time fixed income and derivatives. I believe his books will come to be seen as the definitive guides to the money and capital markets. **Choudhry is a true master of his subject** in that he understands its complexities, and because his books are highly readable, he is able to reach out and educate a wider audience."

- **David Wileman**

CEO, King & Shaxson Limited

"Choudhry has written a comprehensive book on fixed-income markets that will appeal to both seasoned practitioners and novices. **He has skillfully combined intuitive rationale with mathematical thoroughness to provide a clear exposition of cutting-edge techniques used in the marketplace.** It will give readers a clear and deep understanding of the market in a way that is bound to make it required reading for all serious practitioners."

- **Dr. Haris Kessar**

Equity Derivatives, KBC Financial Products, London

"A broad yet comprehensive outline of the fixed-income market and its derivatives. This book is **useful for the starter in the markets as well as the experienced professional and academic researcher.**"

- **Aaron Nematnejad**
