### **Gossip Girl No. 8: Nothing Can Keep Us Together** By Cecily von Ziegesar

Welcome to New York City's Upper East Side, where my friends and I get everything -- and everyone -- we want. Snagging the latest Marc Jacobs bag or your best friend's boyfriend isn't pretty, but it's always hot...It's almost graduation and our lives are really heating up. Everybody's into college and it's obviously time to party -- as if we hadn't been doing that already! Will Blair and Nate's love affair continue? More importantly, will Blair finally get into Yale? Or will Nate and Serena hook up in New Haven and leave Blair alone in the city? And as for the juiciest scoop of all, what's this we hear about Jenny leaving Constance Billard to go to boarding school? Only time will tell how everyone will end up, but one thing's for sure: love is in the air, and it smells a lot like Gucci Envy.

### Editorial Review

#### From [Booklist](#)

Gr. 10-12. This eighth Gossip Girls title will satisfy rabid fans of the series with a new round of scandals and exploits among the usual cast of gorgeous, wealthy teens, who amuse themselves in stylish Manhattan settings. In this installment, set during the teens' graduation from their exclusive high schools, sex and drugs figure more frankly into the plotlines, and a few sleazy teachers openly lust after students. Unapologetically lightweight and glamorous, and filled with snarky, humorous asides, this stays close to the series' best-selling formula, and the characters' questions about life after high school will draw even more teen interest. *Gillian Engberg*

#### Review

'Fabulous - funny and tight as a boob tube' *Observer* 'We love the Gossip Girl series...there's enough gossip, back-stabbing and bitching to character assassinate the entire population of Manhattan. But all done over a lovely cup of skinny latte or three in the cute neighbourhood coffee house. These girls could write Carrie's *Sex and the City* column in their sleep' *Elle Girl* 'A literary phenomenon... teenagers, it seems, can't get enough of her controversial Gossip Girl Books' *Daily Telegraph*
