Editorial Review

Review

"In treating the 1990s, Harrison looks at pop music, hip-hop, and mainstream/commercial country, dividing the coverage pretty evenly. The volume ends with a brief discussion of specialized genres?adult contemporary, Christian, music for theater, the musical, art music, and jazz. Each volume includes a useful, selected bibliography. Summing Up: Recommended." - **Choice**

About the Author

Thomas Harrison, PhD, is associate professor of music business and recording at Jacksonville University, Jacksonville, FL.

Users Review

From reader reviews:

Terri Wiggins:

Book is to be different for each grade. Book for children right up until adult are different content. As you may know that book is very important usually.
