Editorial Review

From Publishers Weekly

A spurned wife confronts her profligate husband in Heath's dramatic Victorian romance series launch. Claire Lyons travels to London from her three-year exile in the country to ask her husband, the earl of Westcliffe, to allow her to stay in town for her sister's first Season. Westcliffe believes Claire cheated on him with his brother, but he reluctantly admires her tenacity, charm, and forthright nature. Romantic tension between the pair is heightened by the frequent appearances of Westcliffe's mistress, Anne, and her machinations to lure him away from Claire. Plenty of other twists and turns appear en route to the passionate conclusion. Complex, emotional romance and a hint of mystery complete this tale, which will have readers eagerly anticipating the next installment.

From the Back Cover

Known throughout for his prowess in the bedroom, Morgan Lyons, the eighth Earl of Westcliffe, cannot forgive an unpardonable affront to his honor. Discovering his young bride in the arms of his brother was a staggering blow—so he banished the beautiful deceiver to the country and devoted himself to the pursuit of carnal pleasure.

Claire Lyons was an innocent, frightened girl on her wedding day, seeking chaste comfort from a childhood friend. Now, years later, she has blossomed magnificently and has returned to London with one goal in mind: the seduction of her notorious husband. Unskilled in the sensual arts, she burns nonetheless for the kisses too long denied her. And she has but one Season to win back the heart of the rogue she betrayed.

They are masters of seduction, London's greatest lovers. Living for pleasure, they will give their hearts to no one . . . until love takes them by surprise.

About the Author

Lorraine Heath always dreamed of being a writer. After graduating from the University of Texas, she wrote training manuals, press releases, articles, and computer code, but something was always missing. When she read a romance novel, she not only became hooked on the genre, but quickly realized what her writing lacked: rebels, scoundrels, and rogues. She's been writing about them ever since. Her work has been recognized with numerous industry awards, including RWA's prestigious RITA®. Her novels have appeared on the *USA Today* and *New York Times* bestseller lists.
