Perspective and Sketching for Designers (Fashion Series) By Jessica Newman, Jack Beduhn

PROPORTION, PERSPECTIVE AND SKETCHING helps students learn how to draw quickly and believably by mastering practical techniques for perspective drawing and estimating scale and proportion. Drawing on extensive experience teaching beginners, the authors overcome many limitations of previous books. Rather than featuring professional work that beginners can't possibly duplicate, they show examples of student drawings, helping students gain confidence and gauge their progress. Avoiding unnecessary theory, math, and jargon, they help students develop an intuitive sense of scale and proportion for creating believable perspectives, and offer valuable tricks and shortcuts throughout. In place of lengthy narratives, they support each lesson with supporting video walking through key techniques. The authors also devote lessons to SketchUp (for blocking out perspectives) and Photoshop (for enhancing sketches).

This is the Stand Alone text. The text is available for purchase with MyInteriorDesignKit !

MyInteriorDesignKit is an online supplement that offers book specific resources including flashcards, study aids, images, projects and additional material not found in the book. **The package containing both this text and MIDK is ISBN: 0133012050.**

Editorial Review

Users Review

From reader reviews:

Lena Drew:

This Perspective and Sketching for Designers (Fashion Series) usually are reliable for you who want to be a successful person, why. The main reason of this Perspective and Sketching for Designers (Fashion Series) can be one of several great books you must have is giving you more than just simple reading through food but feed you actually with information that probably will shock your previous knowledge. This book will be handy, you can bring it all over the place and whenever your conditions in e-book and printed kinds. Beside that this Perspective and Sketching for Designers (Fashion Series) giving you an enormous of experience for example rich vocabulary, giving you test of critical thinking that could it useful in your day exercise. So , let's have it appreciate reading.

Mary Chapa:

Precisely why? Because this Perspective and Sketching for Designers (Fashion Series) is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who all write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of rewards than the other book include such as help improving your talent and your critical thinking method. So , still want to hold up having that book? If I had been you I will go to the e-book store hurriedly.

Todd Porter:

Does one one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Attempt to pick one book that you just dont know the inside because don't determine book by its handle may doesn't work this is difficult job because you are afraid that the inside maybe not because fantastic as in the outside look likes. Maybe you answer can be Perspective and Sketching for Designers (Fashion Series) why because the great cover that make you consider with regards to the content will not disappoint you. The inside or content is actually fantastic as the outside as well as cover. Your reading 6th sense will directly direct you to pick up this book.

Felecia Holst:

Reading a guide make you to get more knowledge from that. You can take knowledge and information from a book. Book is written or printed or illustrated from each source which filled update of news. On this

modern era like today, many ways to get information are available for a person. From media social like newspaper, magazines, science publication, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Do you want to spend your spare time to open your book? Or just looking for the Perspective and Sketching for Designers (Fashion Series) when you necessary it?
