Queer Bangkok 21st Century Markets, Media, and Rights (Queer Asia) By Peter A. Jackson

The Thai capital Bangkok is the unrivalled centre of the country's gay, lesbian, and transgender communities. These communities are among the largest in Southeast Asia, and indeed in the world, and have a diversity, social presence, and historical depth that set them apart from the queer cultures of many neighbouring societies.

The first years of the twenty-first century have marked a significant transition moment for all of Thailand's LGBT cultures, with a multidimensional expansion in the geographical extent, media presence, economic importance, political impact, social standing, and cultural relevance of Thai queer communities. This book analyses the roles of the market and media—especially cinema and the Internet—in these transformations, and considers the ambiguous consequences that the growing commodification and mediatization of queer lives have had for LGBT rights in Thailand. A key finding is that in the early twenty-first century processes of global queering are leading to a growing Asianization of Bangkok's queer cultures.

This book traces Bangkok's emergence as a central focus of an expanding regional network linking gay, lesbian, and transgender communities in Hong Kong, Singapore, Taiwan, Indonesia, the Philippines and other rapidly developing East and Southeast Asian societies.

Editorial Review

Review

The myriad faces of Thai gender/sexuality culture have been an attraction for both pleasure-seekers and researchers/scholars/activists. Exploring the rapidly changing LGBT cultures and Thai queer identities, the essays collected here provide insightful analyses of historical continuities as well as developing variations within the highly complex erotic/economic texture of Thai society. A must-read for anyone in the booming field of gender/sexuality studies.

(Josephine Ho, National Central University, Taiwan)

About the Author

Peter A. Jackson is professor of Thai cultural studies in the Australian National University's College of Asia and the Pacific. He has written extensively on modern Thai cultural history with special interests in religion and sexuality. He is editor-in-chief of the *Asian Studies Review* and founder of the Thai Rainbow Archives Project, which is collecting and digitizing Thai gay, lesbian, and transgender magazines and community organization newsletters (see <http://thairainbowarchive.anu.edu.au/index.html>).

Users Review

From reader reviews:

Theresa Diaz:

What do you think of book? It is just for students since they're still students or this for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be forced someone or something that they don't want do that. You must know how great in addition to important the book *Queer Bangkok 21st Century Markets, Media, and Rights (Queer Asia)*. All type of book could you see on many options. You can look for the internet options or other social media.

Harriet Dupree:

Do you really one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Attempt to pick one book that you find out the inside because don't determine book by its protect may doesn't work here is difficult job because you are frightened that the inside maybe not seeing that fantastic as in the outside seem likes. Maybe you answer may be *Queer Bangkok 21st Century Markets, Media, and Rights (Queer Asia)* why because the fantastic cover that make you consider concerning the content will not disappoint you. The inside or content is actually fantastic as the outside or cover. Your reading 6th sense will directly direct you to pick up this book.
