### Red Sparrow: A Novel (The Red Sparrow Trilogy Book 1) By Jason Matthews

In the tradition of John le Carré, the bestselling, impossible-to-put-down, espionage thriller that is “a primer in twenty-first century spying” (*The New York Times Book Review*), written with the insider detail that only a veteran CIA operative could know—and shortlisted for an Edgar Award.

State intelligence officer Dominika Egorova struggles to survive in the cast-iron bureaucracy of post-Soviet intelligence. Drafted against her will to become a “Sparrow,” a trained seductress in the service, Dominika is assigned to operate against Nathaniel Nash, a first-tour CIA officer who handles the CIA’s most sensitive penetration of Russian intelligence. The two young intelligence officers, trained in their respective spy schools, collide in a charged atmosphere of tradecraft, deception, and, inevitably, a forbidden spiral of carnal attraction that threatens their careers and the security of America’s most valuable mole in Moscow. Seeking revenge against her soulless masters, Dominika begins a fateful double life, recruited by the CIA to ferret out a high-level traitor in Washington; hunt down a Russian illegal buried deep in the US military and, against all odds, to return to Moscow as the new-generation penetration of Putin’s intelligence service. Dominika and Nathaniel’s impossible love affair and twisted spy game come to a deadly conclusion in the shocking climax of this electrifying, up-to-the minute spy thriller.

Taking place in today’s Russia, still ruled with an iron fist by Prime Minister Vladimir Putin, *Red Sparrow* displays author Jason Matthews’s insider knowledge of espionage, counter-espionage, surveillance tradecraft, recruiting spies, interrogation, and intelligence gathering. As *The Washington Post* hails, this is a “sublime and sophisticated debut...a first-rate novel as noteworthy for its superior style as for its gripping depiction of a secretive world.”

##### **Marvin Davidson:**

With this era which is the greater person or who has ability to do something more are more precious than other. Do you want to become one of it? It is just simple method to have that. What you have to do is just spending your time almost no but quite enough to have a look at some books. On the list of books in the top record in your reading list will be Red Sparrow: A Novel (The Red Sparrow Trilogy Book 1). This book and that is qualified as The Hungry Inclines can get you closer in turning into precious person. By looking upwards and review this publication you can get many advantages.

##### **Christopher Evan:**

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but

nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Red Sparrow: A Novel (The Red Sparrow Trilogy Book 1) can make you feel more interested to read.
