**Small Town Girl** By Lavyrle Spencer

**New York Times** bestselling author LaVyrle Spencer, “famous for her heartrending slices of Americana,”\* is at her best in this sweet, small-town romance about a country music star discovering the true meaning of love...

Eighteen years ago, Tess McPhail left her tiny hometown of Wintergreen, Missouri for the bright lights of Nashville and never looked back. Now, one of country music’s biggest stars, “Mac” is a hardworking woman with little time for a personal life—until her sister insists she come home to help care for their widowed mother.

The welcome Mac receives is less than warm, especially from her former next-door neighbor Kenny Kronek. With a teenage daughter to raise, the handsome divorcé refuses to give Mac the time of day. But when Mac discovers that Kenny’s daughter is a promising country talent, she begins mentoring the girl in the music of love—and opening her own hardened heart to a man who makes her soul sing...

#### From [Booklist](#)

When small-town girl Tess McPhail followed the pull of Nashville's glittering lights, she placed her dreams on becoming a country singer. Eighteen years later, she is a megastar and is caught in a whirlwind of tours, recording sessions, and financial meetings--a whirlwind that crashes to a stop when her sister demands her help in caring for their mother. Angered at her sister's orders, Tess breezes in to town for a month and crashes straight into the past in the form of Kenny Kronek, the boy-next-door 'dork' from high school who has been helping her mother. Sparks and tempers fly whenever the two meet, and Tess' professional interest in Kenny's daughter Casey's singing career causes further problems. As Tess relearns how to relate to her family without hiding behind her celebrity, she begins to appreciate the life she left behind and realizes there is a gaping hole in her current lifestyle--a hole that Kenny may be able to fill. Spencer is a consistent *New York Times* best-seller, and her latest is a Literary Guild Main Selection. Although not as emotionally wrenching as past novels, expect high demand and start counting how many copies your library will need to meet it. *Melanie Duncan*
