Summer of Roses By Luanne Rice

Few novelists today write with the power to move our hearts, quicken our souls, and enrich our lives like Luanne Rice. In *New York Times* bestsellers such as *Dance with Me*, *Beach Girls*, and *The Secret Hour*, she vividly captures the dramas that make all the difference in love and families. Now, revisiting the remarkable characters introduced in her bestselling *Summer's Child*, she brings full circle one of her most compelling explorations of the human heart...all the many ways it can be broken...and the magic that can make it whole again.

Their lives were a tapestry woven together by love and loss, tragedy and hope. On the windswept coast of Nova Scotia, Lily and her eight-year-old daughter, Rose, are struggling to embrace a new life even as Lily tries to let go of painful memories of the past. Among the lives that will touch theirs are those of Liam Neill, a dedicated teacher living in self-imposed isolation; Maeve Jameson, mourning the loss of a granddaughter she devoted her life to protecting; and Mark Murphy, a dogged police detective obsessed with a woman who vanished years ago—who may or may not have found what he seeks in a tiny, out-of-the-way maritime village.

During this eventful summer of roses, the paths—and fates—of these unforgettable characters will intersect in ways that none of them could ever expect—and shape a future none of them could possibly foresee. For each of them it will be a time of renewal and transformation that will circle inevitably to a past left behind, a mystery unsolved, and a love reclaimed. *Summer of Roses* is vintage Luanne Rice—a novel that celebrates the ties of family, the passion of lovers, and the deep, unbreakable bonds that hold us together through all the seasons of our lives.

Editorial Review

From Publishers Weekly

The New York Times bestselling author of *Dance With Me* and *Beach Girls* revisits characters from *Summer's Child* in this examination of the emotional fallout of battered woman syndrome. When Mara Jameson thinks about her wedding, she painfully and vividly recalls her betrothed, Edward Hunter, the Harvard rugby player with a "blank yet somehow charged" stare. Mara ran away after Edward began abusing her and shortly before she had her daughter, Rose. Now, nine years later, Mara's living as Lily Malone in an isolated cottage near Cape Hawk, Nova Scotia, with Liam Neill, a member of the village's pre-eminent family. When Mara-cum-Lily learns Maeve Jameson, her grandmother, is comatose after suffering an undiagnosed "neurological event," she, believing Edward was involved, comes out of hiding to try to save her. Edward, ever the epitome of evil, soon hears the news of Lily's return and welcomes her back with an incendiary custody battle. Back in Cape Hawk, Lily's best friend Marisa, also a battered wife, longs to be reunited with her estranged sister in the Fallen Angels, their college fiddle and song duo. Prolific romance novelist Rice handles the complex plot with aplomb so all her likable characters win in the end and Edward, naturally, gets his comeuppance.

From Booklist

Rice continues the compelling story she started in *Summer's Child* (2005). Lily and her nine-year-old daughter, Rose, have survived by hiding from her husband in Cape Hawk, Nova Scotia, where she found true love with oceanographer Liam Neill. Now Rose has had her final surgery for her heart and is on the mend, but Lily must travel to Connecticut to care for Maeve, her beloved grandmother, who is in the hospital in a coma. There Lily must confront the brute who drove her away from her beloved home. She finds unexpected support from those she abandoned years ago and takes strength from her resilient daughter and loyal Liam. Rice gives her readers an in-depth look at the devastation abuse causes to both the primary victim and her loved ones while simultaneously illuminating the healing that comes from love and loving relationships.
